

You Were There

Interview someone who saw or remembers President Kennedy during his visit to Fort Worth on November 22, 1963 or other Texas cities in November. Questions to ask might include:

- Where were you when you saw and/or heard President Kennedy?
- Why did you want to see the President?
- What were your feelings about the President's visit to Fort Worth? Were the same as your friends or compare your feelings about the visit to the feelings of your friends?
- What did you hear or see?
- What was your most vivid memory about the event?
- What impact did the experience have on you?

Title and share interviews and compile a book of interviews. Share the book of interviews with other classes and donate a copy to the school library.
